

Learning Brooke Portfolios

**Instilling pride and confidence.
Through insights from the journey.**

Learning Brooke Portfolios celebrate the individual growth of our Explorers, while providing an invaluable personal profile for their ongoing development.

Each one is a living, evolving keepsake your family will treasure for years to come. And, every child is asked to choose a piece of work to display at our annual Celebration of Learning Festival.

During your child's journey here, this portfolio is also an invaluable teaching resource. It enables our educators to accurately assess development levels, while ensuring appropriate activities to foster growth and new learning.

During the preschool and kindergarten year, children revisit their portfolio to discuss and appreciate their learning progress. A Learning Brooke Portfolio includes elements such as:

- Art, writing & work samples
- Anecdotal records
- Educator Assessments
- Documentation panels
- Daily reports
